**ORDER**

Re: **People of MI v Damion Anthony Sinclair**  
Docket No. **296794**  
L.C. No. **08-004072-FH**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.201(B)(3), orders:

The delayed application for leave to appeal is **DISMISSED** for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with five copies of a current set of the circuit court register of actions, five copies of an application conforming to MCR 7.212(C), proof of service of a conforming application on the prosecution, a copy of the plea transcript, and a copy of the sentencing transcript. Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules.

The motion to waive fees is **GRANTED** for this case only.

The motion for extension of time is **DENIED**. The Clerk of this Court already provided appellant an extended time to provide the items needed to complete his delayed application for leave to appeal by sending a second defect letter requesting those items.
